We thank you for the wonderful times you gave us. We know how much work and dedication it takes to organize a meeting, especially when it covers us with attention, organization, details ... everything was perfect! Congratulations!

Maria Beatriz Abreu Gloria (BR)

I am really impressed by your dedication and professionalism, and I do not have enough words to express my admiration for all what you did there in few days.

Gustavo Barbosa-Canovas (USA)

Thank you for everything, it was one of the best ICEF1 I attended in last 2 years.

Ashim Datta (USA)

Thanks a million for organizing the ICEF11 congress that was unique and memorable for a long time to come.

Andy Rao (USA)

The committee was successful in bringing both pioneers as well as young students, all those interested in food engineering under a single roof.

VM (Bala) Balasubramaniam (USA)

Thank you very much for your efforts for the best ICEF of the history!

Marco Dalla Rosa (IT)

The ICEF11 group have been great hosts to a very productive and enjoyable ICEF and our visit to Greece was also most enjoyable and inspiring.

Martin Olóz (USA)

Many thanks for all your efforts in creating what to me was the best ICEF I have ever been to

Peter Fryer (UK)

The cultural event was an unforgettable moment in a place so special for which I was grateful.

Inês Aparecida Santana (BR)

It was indeed a magnificent event.

Dietrich Knorr (DE)

Of course nothing less would do for Greece, a land of memorable meetings ever since Plato’s Symposium.

Marcus Karel (USA)

Once again thank you for the excellent congress, it was amazing how many happy faces were visible at the closing ceremony.

Helmar Shubert (DE)

Thank you! It was a pleasure to meet the scientists from all around and be in your wonderful country.

Marcelo Cristianini (BR)

I am happy to participate. Again, thank you and congratulations on a great congress.

Peter Clark (USA)

I think many of us would definitely agree that it was one of the most successful and memorable ones.

Hidetumi Yoshii (JP)

ICEF11 had the largest number of participants and papers of all conferences Engineering and Food. Congratulations to your impressive team on this great success. Thank you for the unforgettable Cultural Event and the Gala Dinner at the Mediterranean Sea.

Quebec City awaits you for ICEF12 in June 2015!
